

# Spend a Saturday at Landmark College.

(What you learn may surprise you.)

## Saturday Open Houses

**2011:** October 22 • November 19

**2012:** March 3 • April 14  
May 5 • June 16

**LANDMARK**  
COLLEGE

**America's leading college for students  
with learning disabilities and ADHD**

## Why spend a Saturday at Landmark College?

If you're like most students with a learning disability or ADHD, you're probably intrigued (but a little skeptical) by what you've heard about Landmark College.

- Can Landmark really make a difference in how you learn?
- Are Landmark's classes really different from those offered at other colleges?
- Will it help you achieve success in your academic studies?
- Can you fit in and make friends with the students who go here?

The answer to those questions depends on you, the nature of your learning difference and your academic goals.

Landmark is focused on helping you understand your learning style and giving you the tools to succeed academically. If those things are important to you, we're worth a closer look.

Our open houses are a great way to start. We hope to see you at one.

### 2011-12 Saturday Open Houses

Registration: **8:30 a.m.** • Program: **9 a.m. to 2 p.m.** (Lunch included)

**2011:** October 22 • November 19

Register online: [landmark.edu/admissions](http://landmark.edu/admissions)

Phone registration: **802-387-6718**

E-mail: [admissions@landmark.edu](mailto:admissions@landmark.edu)

## Five reasons to attend a Landmark Open House.

- 1 To compare.** We want you to see **how our education stacks up** against other schools you're considering. That's why our open houses are small, intimate and in-depth. You'll have the chance to explore our programs and ask hard questions.
- 2 To experience.** During our open houses, you can attend a **demonstration class** illustrating how we **integrate learning skills and strategies into every subject**. You'll also discover how Landmark students are linked to the best **assistive technology** for their unique learning needs. You'll leave campus with a better understanding of how Landmark will help you perform at your very best.
- 3 To explore.** We teach differently at Landmark. Our size gives you incredible personal support. We help **you understand your unique learning style** – and how to put it to work in the classroom. We show you how to use the latest technology to boost your learning power. At an open house, you'll see how we help students succeed.
- 4 To hear.** Our student panelists will share what it's really like to attend Landmark. The conversation is candid, often funny and always honest. You'll also hear how Landmark prepares you for "Life After Landmark" – including our College Transfer Program that helps **our graduates gain admission to top colleges and universities nationwide**.
- 5 To decide.** We're not for everyone. **We're deliberately a small campus in a small town so you can focus on one thing: your academic success.** With that focus comes fun and lasting friendships. Only you can decide if you're ready to join the Landmark community – and if you do, it will change your life.
